June 2017 Newsletter

As we head into the final stretch of the school year, there are many events in June. Please use the calendar attached to this newsletter and the google calendar on the website. There is something on every day of the last week including our graduation on Monday and closing liturgy on Wednesday. We will be sending out invitations to all our volunteers to join us for lunch and the closing liturgy on that day.

On behalf of the staff, I would like to extend sincere thanks to all of the parents and community members who contribute to the school. You are making a difference for students and we appreciate your efforts. I cannot say enough good things about the work of the School Council. This is a group of dedicated parents who are always willing to help in any way. Their leadership is exemplary and always looking out for the best interests of the students. I would encourage other parents to join the school council next year. It is another way to support your child’s school and a terrific group of people to work with.

I would also like to give my sincere thanks to all the members of our St. Clement school community for the support that I have received. This is a wonderful and generous community and I feel blessed to have the opportunity to be part of this school.

I have been meeting with students to start making plans for next year. Please feel free to make suggestions or encourage your child to speak to either myself or their teacher. Student voice is an important way to improve the educational experience for all students.

Congratulations to our Grade 8 graduates. We look forward to your graduation ceremony at the end of the month and wish you well as you head off to high school. Don’t ever forget that you are a graduate of St. Clement and you will always be a Saint.

This month we celebrate Father’s Day. To all of our fathers and those who do the work of fathers in caring for children, may God bless you for all you do. Happy Father’s Day on June 18th.

Yours in Christ
Mr. D. Ingoldsby
