

Waterloo Catholic District School Board Extended Day Programs!

As we plan for the 2021-2022 school year....

As stated in our Parent Handbook,

The Waterloo Catholic District School Board assesses the viability of the Extended Day Program at all schools every year. A program is determined viable when there is sufficient parental interest. Parents demonstrate their interest by pre-registering for the Extended Day Program between January and April. Parents will be notified in or around May if the Extended Day Program will be offered at their school. Once a location has been determined viable, registration is ongoing, and children may enroll throughout the school year.

Please [Pre-Register](#) now to show your interest in having/keeping the Extended Day Program at your school!
