Get a HeadStart to Grade 9 Summer 2022

Get a HEADStart to Grade 9 is a FREE four-day, half day, in-person preparatory program which provides students with those preliminary tools to be academically successful at the beginning of the school year. The program is infused with literacy and numeracy activities and the all-important social adjustment factor. HeadStart is offered at all five Catholic Secondary Schools with the Waterloo Catholic District School Board.

Get excited and be prepared to learn about:

- What the 2022-2023 school year will look like for high school students?
- How technology and in-person learning blends in a high school setting
- Strategies to manage a semester system
- Following your timetable, finding your classes, and meeting your new peers who will join you – ahead of time
- Navigating other parts of the school and how to access people resources
- Belonging to a new school community before the first day of school

If it has been recommended that your child could benefit from this additional support AND you have already registered to attend one of the following high schools in the Fall 2022, you need to register for HeadStart separately.

Locations:

- St. Benedict CSS, 50 Saginaw Pkwy., Cambridge
