Take a Summer Expedition

A Discovery Lens

• For students currently in Grades 6, 7, 8 (currently attending a publicly funded school)
• Offered in-person only

Does your child need to improve their reading, writing, comprehension, numeracy and technology skills?
Has their teacher recommended additional support in these areas?
Do they need a renewed interest in school?

Explore a FREE 3-week literacy & numeracy support summer program for students completing Grade 6, 7 & 8. Visual literacy and visual media are used to develop literacy skills in all forms. Numeracy & technology skills are critical. Take the extra instructional time to prepare students for the next grade. Taught by WCDSB certified teachers.

Something NEW Every Day!
